Description

The Bosch Group is offering internship opportunities through the Yes4Youth initiative for the 2024/2025 period. This program aims to provide unemployed South African youth with practical work experience in various fields, fostering their professional development and enhancing their employability.

The Youth Employment Service Initiative (Yes4Youth) is a collaborative program designed to address the high youth unemployment rate in South Africa. It seeks to empower young people by equipping them with essential skills and real-world experience in the workplace. This program specifically targets unemployed youth, aged between 18 and 34, who have not previously participated in the *Yes4Youth* initiative. Participants will undergo mentorship and practical training over the course of 12 months to help them gain a competitive edge in the job market.

Responsibilities

Selected candidates will be assigned tasks and projects relevant to their field of study, under the guidance of experienced professionals. They will be expected to actively contribute to the daily operations of the organization, collaborate with team members, and apply their theoretical knowledge to solve real-world problems. Throughout the 12-month period, participants will develop practical skills and gain valuable work experience.

Qualifications

Hold a degree or diploma in one of the following fields:

- Logistics
- Supply Chain
- Commerce
- Sales & Marketing
- Finance

To be eligible for this internship, applicants must meet the following criteria:

- Must be a South African citizen.
- Possess a Grade 12 / Matric certificate.
- Be fluent in English, with strong written and verbal communication skills.
- Must have been unemployed for more than six (6) months.

Job Benefits

This internship offers participants a structured learning environment with mentorship, exposure to professional settings, and the opportunity to acquire practical skills that can enhance future career prospects. Additionally, successful candidates will gain experience working in a global company, enriching their understanding of their chosen industry.

How To Apply?

Interested individuals who meet the above qualifications are encouraged to apply by submitting their resume and relevant academic documentation to the designated

application platform. Further instructions and deadlines will be provided upon application. Ensure all required information is included for your application to be considered.
