Description

Modikwa Platinum Mine in Burgersfort is seeking qualified and motivated unemployed graduates to participate in its 2024/2025 Graduate Internship Programme. This initiative provides practical experience in a professional mining environment across various specialized fields.

The Modikwa Platinum Mine Graduate Internship Programme is structured to offer experiential training to graduates in mining-related disciplines. It supports professional development, skill enhancement, and career advancement in the mining industry.

Responsibilities

Interns will be responsible for the following:

- Supporting daily operational activities within their specific departments.
- Contributing to project-based tasks as assigned by supervisors.
- Complying with all mine safety and operational protocols.
- Actively engaging in training and development sessions.

Qualifications

Applicants should meet the following criteria:

- A completed qualification in a relevant field (e.g., Human Resources, Accounting, Engineering).
- No prior participation in any SETA-registered internship program.
- Willingness to undergo a panel interview and psychometric assessment.

Job Benefits

Participants in the internship programme can expect the following benefits:

- Practical, hands-on experience in a professional mining environment.
- Mentorship from experienced professionals in the mining industry.
- Potential career pathways within the Modikwa Platinum Mine.

How to Apply?

Interested and qualified applicants are encouraged to submit their applications, including an updated resume and proof of qualification, to the Modikwa Platinum Mine recruitment office. Please ensure all required documentation is included for full consideration.
