Job Location
Johannesburg, Gauteng, South Africa, 2001, Johannesburg, Gauteng, South Africa

Working Hours
9

Date posted
December 1, 2024

Valid through
31.12.2026

Description

PPC Cement is offering internship opportunities for the 2024/2025 period as part of a strategic initiative to support unemployed youth. This internship program is designed to provide participants with practical work experience in various operational departments, thereby equipping them with valuable skills. Through this initiative, PPC also seeks to foster stronger connections with local communities.

The PPC Cement internship program provides a 12-month immersive experience aimed at empowering youth through skill-building in diverse operational functions within the company. Participants will gain exposure to real-world industry practices and be part of meaningful community-building initiatives.

Responsibilities

Interns will engage in practical learning across different departments, contributing to projects that promote youth empowerment and local community development. Interns will work under the guidance of skilled professionals who will provide mentorship and facilitate professional growth.

Qualifications

To be eligible for the PPC Cement Internship, applicants must meet the following criteria:

- Must be unemployed and possess a Matric (Grade 12) Certificate.
- Must reside in Johannesburg or surrounding areas.

Job Benefits

Participants in the PPC Cement Internship will benefit from:

- Hands-on experience in youth-focused empowerment and community strengthening projects.
- Mentorship from industry professionals.
- Opportunities to build a professional network with peers and experts in the field.

How to Apply?

Candidates who meet the eligibility requirements are encouraged to apply for this opportunity to gain valuable experience and contribute to their communities. Interested individuals can submit their applications through the PPC Cement careers portal or contact the PPC Cement recruitment team for further guidance.
